[Re: Cassells/Flood Report \(December 2009\)](#)

Dear Members,

A meeting has been arranged with An Tánaiste's delegation Mr. Peter Cassells and Mr. Finbar Flood to discuss Issues/Recommendations/Conclusions contained in the recent Report.

We are very grateful for the suggestions and comments received from our Members relating to the report and we will take this opportunity to try to correct some procedures which are making life extremely difficult for the Electrical Contracting Industry.

It would help us further if more Members read the Report and forward their comments by email to the AECI office.

Yours Sincerely,
