Re: CWPS Meeting

Dear Members,

A delegation from the AECI will be meeting with representatives from the CWPS (Construction Workers Pension Scheme) in the next week or two (date being arranged).

In the recent times we have heard many comments mostly negative about the way CWPS handles queries from our Members.

We ask you to forward to us by email any comments, suggestions or queries that you would like to have put to the CWPS representatives. This will assist and remind us to create a questionnaire to put on the agenda and we will endeavour to extract as many answers as possible which we will then pass on to our Members.

We look forward to you're your cooperation on this matter and we would like have all responses in by Friday the 26th February 2010.

Yours Sincerely,

Chris Lundy
Executive Secretary
