23rd February 2010

Dear Members,

[1. Labourt Court Hearing on Friday the 19th February 2010 - Application to vary the REA for the Electrical Contracting Industry.](#)

A delegation from the AECI attended the above Hearing and again, our position clearly understood by all, that the AECI does not support the request by others for a 'Rate Increase' and will not be in support of an increase for the foreseeable future.

Ms. Caroline Jenkinson, Chairperson, stated: "It would not be prudent to vary the Agreement under the current circumstances" and that "the Application to vary the Agreement is adjourned until some unspecified future date".

[2. AECI AGM on Saturday the 20th March 2010](#)

The AECI (Association of Electrical Contractors of Ireland) will be holding its AGM on Saturday, the 20th March 2010 at the Maldron Hotel (Midway Complex), Portlaoise starting at 11.00am.

This is an opportunity for all Members to openly discuss the many issues related to the state of our Industry and also express their opinions on the direction the AECI should take.

A show of support to the Officers and the Executive Council who give their time unselfishly for the good of the Electrical Contracting Industry would be much appreciated.
