Labour Court Hearing

Ref: Proposed Variation to R.E.A. (€1.05 per hour)

In respect of the above and as previously stated the A.E.C.I. acting on the Members Ballot taken confirms that this Ballot resulted in a full rejection of the proposed Variation.

Further more the A.E.C.I. and its Members feel that due to the continues impact of the economic situation that it would not be out of the question to seek our reduction in wages for all electricians.

Yours Sincerely,

The A.E.C.I.
