20th August 2009

Dear Members,

Just to clarify that the AECI Annual Golf Outing and Trade Show/Conference 2009 will be held this year with a different format taking into account the present economic climate.

The cost factor this year was of great importance to us so that our Members are not burdened with additional costs.

It consists of golf on Friday, the 11th September 2009 at Fota Island Golf Club in Cork with a Prize Giving and Social Evening in Silver Springs Moran Hotel in Cork the same night.

Saturday, the 12th September the Trade Show/Conference opens at 10am with 2 lectures/presentations organized during the day.

The Trade Show/Conference will finish approx. at 4pm.

At this stage most people will be heading for home as there is no formal event planned for Saturday evening, however, the hotel has given AECI a special rate for B&B for Thursday the 10th, Friday the 11th and Saturday the 12th September for those that wish to avail of it or one or two of the nights, etc. if required.

Yours Sincerely,

Chris Lundy

Chris Lundy
Executive Secretary
