23<sup>rd</sup> April 2009

**Dear Members,**

Just to bring to your attention a memo from TEEU that is still being distributed to employees/electricians informing them of the current (2008/2009) rates of pay and entitlements. These changes from April 2007 to the present day **HAVE NOT** been agreed and on the contrary have been rejected by the Labour Court.

The matter relating to rates of pay and other issues contained in the REA (Register Employment Agreement) is currently under discussions with relevant Bodies, including the AECI.

Best Regards,

A handwritten signature in blue ink that reads 'Chris Lundy'. The signature is written in a cursive style with a large, looped 'L'.
