26<sup>th</sup> March 2009

**Dear Members,**

The AECI received correspondence from the TEEU giving us "Notice of Industrial Action" which was to take place on Monday the 30<sup>th</sup> March 2009. They requested us to pass this on to our Members. This procedure of a Trade Association (AECI) to act as a distributor of information for the TEEU is not using the correct protocol. However, the "Industrial Action" has now been officially averted/cancelled.

There are meetings planned between the AECI, ECA and TEEU as per instructions from both the NJIC and the recent Labour Court Hearings.

The action taken by the TEEU regarding "Industrial Action" we feel is not conducive with the attempts by all concerned to resolve existing problems.

We will be making our feelings known regarding above with delegates from TEEU at a next meeting on Friday the 27<sup>th</sup> March 2009.

We will keep you informed as further information is available.

Yours Sincerely

---

Executive Secretary
